

Jak korzystać z fiszek?

Czy korzystałeś kiedyś z fiszek? Mamy nadzieję, że nasze fiszki Ci się spodobają!

Jak z nich korzystać?

Wydrukuj poniższe strony (zarówno te z wypełnionymi fiszkami jak i z pustymi polami). Wytnij fiszki - przetnij je tak, by każde słowo wraz z jego tłumaczeniem znajdowało się na oddzielnym pasku, o tak:

pink <small>GreatWaySchool.pl</small>	<i>różowy</i> <small>GreatWaySchool.pl</small>
-----------------------------------------------------	-------------------------------------------------------

Teraz zegnij pasek w miejscu styku słówka angielskiego i polskiego i sklej fiszkę. Dzięki temu samodzielnie przygotujesz zestaw fiszek, które będziesz mógł mieć zawsze przy sobie i sprawdzić znaczenie danego słowa w dogodnym dla Ciebie czasie i miejscu.

A po co puste miejsca?

Zostawiliśmy puste fiszki na dodatkowe słowa, których jeszcze nie znasz, a które poznasz dzięki naszemu kursowi. Możesz je sam wypisać i korzystać z nich tak samo jak z tych, przygotowanych przez nas.

Jak skutecznie uczyć się słówek?

Koniecznie obejrzyj film na naszym kanale na Youtube: [\(KLIK!\)](#)

Powodzenia w nauce słówek!
